

# Perran Springs

holiday park

## park recreation... and experience cornwall

Our **Play Area** is great fun for the younger members of the family and the most energetic of children will find plenty of areas in which to run and explore.

In our **Fox Recreation Meadow** there is ample space in which to expel excess energy whilst playing family ball games. Relaxed bicycle riding is allowed in the main area of the park away from the Lake Meadow.

To calm the mind and body, take a quiet leisurely stroll around our Lake Meadow with its **abundance of animals, birds, insects, trees, grasses and wildflowers**, stopping for a relaxing break on one of our benches.

The village of **Goonhavern**, is only a short level stroll way. In the village you will find the popular local pub – **The New Inn**, (with children's play area and beer garden). A **Garden Centre** with **Bay Tree Restaurant** and a quality **Greengrocers** – **Mr Fruity**. The village also has a well stocked shop – **Bridge Stores with Post Office and Lottery counter**.

Visit **Perranporth** just two miles away, with its long sandy beach and spend the day sunbathing or surfing under the watchful gaze of the lifeguards. Browse the shops looking for souvenirs, or venture out on a magnificent coastal walk. Nearby, in **Newquay** is the opportunity for many activities; ranging from surfing to golfing, or even deep sea fishing boat trips. **Truro**, Cornwall's capital city, with its striking cathedral, and Georgian architecture is the perfect place for some retail therapy.

Discover Cornwall's history and variety, from sleepy secluded coves and villages, to popular holiday resorts with family entertainment. **Spectacular beaches** and a host of **major attractions** are all within easy reach, including **The Tate Gallery** at St Ives and the world famous giant biomes of **The Eden Project**, just a thirty minute drive away.

enjoy your  
recreation time
